Signature Experiences include:

Wonders of Kangaroo Island

Discover Kangaroo Island's spectacular wildlife, stunning landscapes and maritime heritage on a west-end wilderness expedition. Journey into

Flinders Chase National Park to discover the aptly named Remarkable Rocks, visit historic Cape du Couedic Lighthouse and spy on the resident fur seal colony at Admirals Arch, a magnificent coastal grotto.

Seal Bay

Seal Bay Conservation Park is home to Australia's third largest colony of Australian sea lions. Join the lodge guide on the shores of the Southern Ocean for a walk among these endangered animals (a true KI privilege!) while learning about their unique breeding cycle and the ongoing research programs implemented on site.

Coastal Clifftop Walk

Step out for a guided walk traversing the limestone cliffs of Hanson Bay. Enjoy a bird's eye view of the Southern Ocean swell below while learning about the diverse coastal ecology and the resilience of the Australian bush. Back at the lodge, join an interpretive presentation delving into Kangaroo Island's discovery and fascinating natural heritage.

Southern Sundowners

Soak up the history of the early island settlers at Grassdale, a historic property set nearby to the lodge. Sip South Australian beverages and nibble on snacks while the last rays of sunlight cast a dusky glow over the landscape. Twilight signals the time for shy-by-day marsupials to venture out from their resting spots to graze in the open grassland.

Nocturnal Explorer

Venture to Hanson Bay Sanctuary to experience a very different kind of nightlife - the sights and sounds of Kangaroo Island after dark. Spot koalas at their most active and encounter kangaroos, wallabies and possums up close. Learn about their behaviours whilst searching for other nightloving wildlife including owls, bats and echidnas.

Mayfair Hotel Adelaide

Located on the corner of King William and Hindley Street, the chic and intriguing Mayfair Hotel offers glamour in the heart of Adelaide's CBD. Situated in a heritage listed 1930s building, the hotel's stunning neo-gothic façade is a stark contrast to the recently built adjoining Jewel Box wing, so named due to its diamond-shaped metal clad exterior. Art Deco interiors complement the building's original layout and are defined by a soft palate of slate, taupe and ivory illuminated by crystal lamps and large mirrors. Modern amenities are as usual, with LED televisions, on demand movies, Wi-Fi and touch-screen telephones in all rooms and suites.

Mayfair's perfect central location combined with a finger-on-the-pulse concierge team make the hotel an ideal base to explore the city's local attractions, festivals and events. From cheese festivals to night time noodle markets, comedy nights and film festivals; if there's some excitement to be had, the concierge will most likely know all about it.

As Adelaide begins to make a name for itself in the gastronomic boom consuming South Australia, the Mayfair Hotel is no exception. Local produce, wines and artisan treats dominate the menus at Mayflower Restaurant and Bar. Retreat from the city for an afternoon to relax with the Mayflower's signature High Tea, a mouth-watering medley of delicate finger sandwiches, rustic scones and fruity tartlets; the perfect tonic after a day of exploring.

Why we like it

- Beautiful Romanesque style building in the heart of Adelaide
- Glamour, style and elegance embodies each of the spacious rooms and suites
- Indulge in delicious deli-style sweet and savoury treats at Café 55

- Personalised service from dedicated and youthful staff; they will go out of their way to look after you
- Close to the city's main shopping and entertainment hubs, including the small boutiques and cafes of Rundle Street
