Oct 9: Bali

Encounter the essence of eastern Bali with a day of discovery in fairy tale Karangasem, witnessing its soaring volcanic mountains and inspiring temples. Visit the traditional village of Penglipuran, known for its unique architectural traditions, and then drive into the highlands to Bali's mother temple, Besakih. Explore the temple and its 23 monuments while learning about the island's rich spiritual culture. Enjoy lunch with views of terraced rice fields and Mount Agung before a visit to peaceful Sidemen, where you discover beautiful landscapes and the art of traditional weaving. Next, visit Bali's smallest regency, Klungkung, and experience its local market and elaborate, historic Klungkung Palace. Return to your hotel to enjoy dinner and the evening as you wish.

Oct 9: Bali

Today, choose from two experiences. Opt to embark on a culinary adventure featuring a hands-on cooking class at a local restaurant with a Balinese chef. Prepare a variety of authentic dishes, learn about prized spices and traditional Balinese cooking techniques, and then feast on the lavish spread you have prepared together. Alternatively, immerse yourself in the island's caffeinated culture with an in-depth coffee excursion. Spend the morning exploring an organic coffee plantation in the highlands, witnessing traditional roasting methods and sampling a fresh cup. After lunch with the farmers at the village community house, visit to a coffee studio in Ubud for an expert led, hands-on coffee workshop. As the day comes to a close, return to your hotel for dinner at your leisure.
