Day 2: Cape Town

Enjoy a full day tour of Cape Town. Head off for an ascent by aerial cableway up Cape Town's iconic Table Mountain (weather permitting) for unparalleled views of the city and Atlantic Ocean. Afterwards, enjoy an orientation in the history of Cape Town with a leisurely walk through the tranquil Company Gardens before a visit to the pentagonal Castle of Good Hope, one of the oldest buildings in South Africa. Built by the Dutch East India Company as a maritime refreshment station, it later became the centre of military life in the cape.

End your day with a visit to the bustling Victoria & Alfred Waterfront. Built around the old harbour, this popular precinct is unique in terms of being a working harbour while still boasting a varied selection of eclectic shops, restaurants and tourist attractions.
